Dear Dr Vanden Burg

Thank you for your letter of 9th December.

I am still involved in the case of [redacted] and you will be very pleased to learn, that ultimately both children were placed in the care of my client under a Residence Order. He has subsequently been tested for drugs and all tests have proved negative. This is, as I am sure you will agree, a vindication of your expert opinion and I would gladly give you a reference.

I would be happy to pay my account to you and I would be grateful if you could advise me of the exact amount payable. I would be grateful if you would also advise me of the date of the over payment. This would be gratefully appreciated.

Yours sincerely

Donald Galbraith
